Dear baby, I'm not sorry for leaving you this way  
And I know I should have told you face to face  
We've always been straight up so I won't waste your  
time  
I'm leaving, say goodbye because I know what you did  
last night

Let me let you know, yeah  
That I'm leaving baby  
Let me let you know, yeah  
That I'm leaving baby

Let me let you know I don't know where I'm going  
But I'm going far from here  
Let me let you know, yeah  
That I'm leaving baby, yeah, oh yeah

One more thing before I go I hope you feel alone  
'Cause I'm definitely tired of waiting for you to come  
home  
Been waiting for you at home  
We've always been straight up so I'll just take what's  
mine  
I'm leaving say goodbye 'cause you've heard me for  
the last time

Let me let you know, yeah  
That I'm leaving baby  
Let me let you know, yeah  
That I'm leaving baby

Let me let you know I don't know where I'm going  
But I'm going far from here  
Let me let you know, yeah  
That I'm leaving baby, yeah, oh yeah

Whatever your excuse is  
I'm sure I've heard them all before  
Time and time again I told you  
That I needed more, now I'm walking out the door

Let me let you know, yeah

That I'm leaving baby  
Let me let you know, yeah  
That I'm leaving baby

Let me let you know I don't know where I'm going  
But I'm going far from here  
Let me let you know, yeah  
That I'm leaving baby, yeah, oh yeah

Ooh baby, I'm just here to let you know honey, ooh yeah  
Here to let you know  
Let me let you know, yeah  
I'm leaving

Let me let you know I don't know where I'm going  
But I'm going far from here  
And let me let you know, yeah  
That I'm leaving baby, yeah, oh yeah

Let me let you know I don't know where I'm going  
But I'm going far from here  
Let me let you know, yeah  
That I'm leaving baby, yeah, oh yeah
