Far, far, far, far away, way
People heard him say, say
I will find a way, way
There will come a day, day
Something will be done
Then at last the mighty ship descending on a point of
flame
Made contact with the human race at Mildenhall

Now, now, now is the time, time, time
To be, be, be aware
Carter's father saw it there
And knew the Rhull revealed to him
The living soul of Hereward the Wake

Oh my, something in my eye, eye
Something in the sky, sky
Waiting there for me

The outer lock rolled slowly back
The servicemen were heard to sigh
For there revealed in glowing robes was Lucy in the sky
Oh, oh, did you ever
No, no, never ever will they
I'll can't say

Summoning his cosmic power
And glowing slightly from his toes
His psychic emanations flowed
