I'm coming up so you better get this party started
I'm coming up so you better get this party started

Get this party started,
on a saturday night,
everybody's waiting for me to arrive
Sending out the message to all of my friends
we'll be looking flashy in my Mercedes Benz
I got lots of style with my gold diamond rings
I can go for miles if you know what I mean

I'm coming up so you better get this party started
I'm coming up so you better get this party started

Pumpin up the volume,
breaking down to the beat
cruise through the west side
I'll be checkin' the scene
Boulevard is freaking as I'm coming fast
I'll be burning rubber,
you'll be kissin my ass
Pull up to the bumper get out of the car
License plate says
Number One Superstar

I'm coming up so you better get this party started
I'm coming up so you better get this party started

(get this party started)

Making my connection as I enter the room
everybody is chillin'
as I set up the groove
Pumpin up the volume
with this brand new beat
everybody's dancin'
and they're dancin' for me
I'm the operator
you can call anytime
I'll be your connection to
the party line

I'm coming up so you better get this party started
I'm coming up so you better get this party started
I'm coming up so you better get this party started
I'm coming up so you better get this party started

(get this party started)

(ooooh, get this party started right now)

(get this party started)

(get this party started, right now)
