#### Verse

I'm lying here, on the floor where u left me  
i think i took too much  
i'm crying here what have you done  
i thought it would be fun

#### Bridge

i can't stay on ur life support there's a shortage in the  
switch  
i can't stay on ur morphine cuz it's makin' me itch  
i said i tried to call the nurse again but shes being a  
little bitch  
but i think i'll get out of here

#### chorus

where i can run just as fast as i can  
to the middle of nowhere  
to the middle of my frustrated fears and i swear  
you'r just like a pill stead of makin me better you keep  
makin me ill  
you keep makin me ill

#### Verse

I havnt moved from this spot where you left me  
This must be a bad trip  
oh all the other pills, they were different  
Maybe i should get some help

#### Bridge

i can't stay on you'r life support there's a shortage in  
the switch  
i can't stay on you'r morphine cuz it's makin' me itch  
i said i tried to call the nurse again but shes being a  
little bitch  
i think i'll get out of here

#### Chorus

where i can run just as fast as i can  
to the middle of nowhere  
to the middle of my frustrated fears and i swear  
ur just like a pill stead of makin me better ur makin me

ill  
u keep makin me ill

Repeat chorus

Bridge  
i can't stay on you'r life support there's a shortage in  
the switch  
i can't stay on you'r morphine cuz it's makin' me itch  
i said i tried to call the nurse again but shes being a  
little bitch  
i think i'll get out of here

Chrous  
(where i can) run just as fast as i can  
to the middle of nowhere  
to the middle of my frustrated fears and i swear  
you'r just like a pill stead of makin' me bette
