Talking down, so give short.....
Leave It good, So give more.....
tell me how I did.....
Turn me around and around
and please go upside.....

I gotta know, give me a reason
I gotta know, give me a reason
I gotta know, give me a reason
You messed my chance.....

Looks like a job 4.....
Looks like a job 4.....
Even If It breaks me.....

Please tell me, 'cause I know how.
Leave It around, I know how.....
Tell me how I did.....
Turn me around.....
and please go upside.....

I gotta know, give me a reason
I gotta know, give me a reason

I gotta know, give me a reason
You loved my last chance

Looks like a job 4.....
Looks like a job 4.....
let's blow It away.....
I know I can be right alright....

Stop pretending my chance
Stop assuming my lasting
Stop Playing my chance
Stop walking I'll here you

Looks Like a job 4.....
Looks like a job 4.....
let's blow it away.....
I know I can be right alright....
and I can Be winning along.....

I know I can know, I can here you
