(Pink:) go Damon

(Pink:) go Linda

(Linda Perry:) Go, Pink!

(Pink:) Yeah... Oh! Uh, thats me.

I might be the way
everybody likes to say
I know whatcha thinkin' about me (uh-uh!)
There might be a day, you might have a certain way
But you don't have my luxeries

And it's me, I know, I know my name
'Cause I say it proud
Everything I want I always do
Looking for the right track
Always on the wrong track
But are you catching all these tracks
That I'm layin' down for you?

There's a song I was listening to up all night
There's a voice I am hearin' saying "It's alright"
When I'm happy and I'm sad but everything's good
It's not that complicated I'm just misunderstood

There might be a day everything, it goes my way
Can't you think I know I'm super fly? (heh-heh!)
I might see a world, in a world inside of you
Then I just might say "goodbye"

And it's my name, I know
I say it loud, 'cause I'm really proud
Of all the things I used to do
'Cause it's the wrong track
Looking for the right track
And are you catching all these tracks
That I'm layin' down for you?

There's a song I was listening to up all night
There's a voice I am hearin' saying "It's alright"

When I'm happy and I'm sad but everything's good
It's not that complicated I'm just misunderstood

Na-na na na-na
Yeah yeah yeah (uh..)

Looking for the right track
Always on the wrong track
But are you catching all these tracks
That I'm layin' down for you?

There's a song I was listenin' to up all night
There's a voice I am hearin' saying "It's alright"
I was taken for granted but it's all good
'Cause I'll do it again, I'm just missundaztood
I said I'll do it again, I'm just misunderstood
I said I'll do it again, I'm just misunderstood
I said I'll do it again, I'm just misunderstood

Yeah yeah uh uh uh uh
Yeah yeah
UH!

Yeah yeah
UH! uh uh
