Go Damon
Go Linda
Go Pink
Hahaha yeah
It's me

I might be the way everybody likes to say
I know what you're thinking about me
There might be a day you might have a certain way
But you don't in my luxuries
And its me, I know I know my name
Cuz I say it proud
Everything I want I always do
looking for the right track always on the wrong track
But all you're catchin' are these tracks that I'm laying
down for you.

CHORUS:

There's a song I was listening to up all night
There's a voice I am hearin' sayin' its alright
When i'm happy, I'm sad, but everything is good
Its not that complicated I'm just missundaztood.

There might be a day everything, it goes my way
Can't you think I know i'm superfly?
I might see the world in a world inside of you
Then I just might say goodbye
And its my name I know, I say it loud coz i'm really
proud
Of all the things I used to do
Cuz its the wrong track
Lookin' for the right track
And all you're catchin' are these tracks that I'm layin'
down for you

CHORUS (x2)

Yeah, yeah, yeah.

Lookin' for the right track
Always on the wrong track

But all you're catchin' are these tracks that I'm layin'
down for you

There's a song I was listenin' to up all night
There's a voice I am hearin' sayin' its alright
I was taken for granted but its all good
Cuz I'll do it again, I'm just missundaztood
Said I'll do it again, I'm just missundaztood
I said I'll do it again, I'm just missundaztood
I said I'll do it again, I'm just missundaztood
Yeah, yeah, yeah yeah
Uh! yeah, yeah, Uh!, Uh!, Uh!, Uh!, Bring it back, Uh!
