No sleep, no sex for you from your ex-girlfriend  
I was too deep, can't let you call me just jump in  
At times, I would, push my feelings aside to let you feel  
I'm Novocaine, I'm numb and nothing's real

Like the coldest winter  
I am frozen from you

I was weak before now you've made me  
So numb, I can't feel much for you anymore  
I gave you my all my baby  
I'm numb, numb, numb

But the tears were silent inside you see  
(Mmm)  
But the tears were silent inside you see  
(Yea)

I laid there quiet  
And watched you have your way with me  
I might have cried  
But the tears were silent inside you see  
You called me names  
Made me feel like I was dumb  
I didn't feel a thing  
And now I'm gone, gone, gone

Like a battered child  
I got used to your pain but you know it's 'cause

I was weak before now you've made me  
So numb, I can't feel much for you anymore  
I gave you my all my baby  
I'm numb, numb, numb

I was weak before now you've made me  
So numb, I can't feel much for you anymore  
I gave you my all my baby  
I'm numb, numb, numb, numb

Yeah  
I don't, don't

I don't feel the thing  
I don't feel the pain  
Na

Say it  
I was weak before now you've made me  
So numb, I can't feel much for you anymore  
I gave you my all my baby  
I'm numb, numb, numb, numb

I was weak before now you've made me  
(Na, na, now you've made me so numb)  
So numb, I don't feel much for you anymore  
(Don't feel much for you anymore)  
So I gave you my all my baby  
I'm numb, numb, numb  
(Ah, ah, ah)  
(Ah, ah, ah)  
(Ah, ah, ah)  
I was weak before

So now I'm numb, numb, numb, numb  
Oh oh  
Numb, numb  
(Numb, numb, numb)  
No, no, no, no
