I'm lyin' here on the floor where you left me
I think I took too much
I'm crying here, what have you done?
I thought it would be fun

I can't stay on your life support, there's a
Shortage in the switch,
I can't stay on your morphine, 'cause it's making me
Itch
I said I tried to call the nurse again but she's
Being a little bitch,
I think I'll get outta here, where I can

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better, you keep makin' me
Ill
You keep makin' me I'll

I haven't moved from the spot where you left me
This must be a bad trip
All of the other pills, they were different
Maybe I should get some help

I can't stay on your life support, there's a
Shortage in the switch,
I can't stay on your morphine, 'cause it's making me
Itch
I said I tried to call the nurse again but she's
Being a little bitch,
I think I'll get outta here, where I can

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better, you keep makin' me
Ill
You keep makin' me I'll

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better, you keep makin' me
Ill
You keep makin' me I'll

I can't stay on your life support, there's a
Shortage in the switch,
I can't stay on your morphine, 'cause it's making me
Itch
I said I tried to call the nurse again but she's
Being a little bitch,
I think I'll get outta here, where I can

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better, you keep makin' me
Ill
You keep makin' me ill
