I'm comin up so you better get this party started
I'm comin up so you better get this party started

Get this party Started on a Saturday night
Everybody's waitin for me to arrive
Sendin out the messege to all of my friends
We'll be lookin flashy in my Mercedes Benz
I got lotsa style check my gold diamond rings
I can go for miles if you know what I mean

I'm comin up so you better get this party started
I'm comin up so you better get this party started

Pumpin up the volume breakin down to the beat
Cruisin through the west-side we'll be checkin the
scene
Boulevard is freakin as I'm coming up fast
I'll be burnin rubber you'll be kissin my ass
Pull up to the bumper get outta the car
Liscense plate says stunner #1 superstar

I'm comin up so you better get this party started
I'm comin up so you better get this party started

Makin my connection as I enter the room
Everybody's chillin as I set up a groove
Pumpin up the volume with this brand new beat
Everybody's dancin and they're dancin for me
I'm your operator you can call anytime
I'll be your connection to the party line

I'm comin up so you better get this party started
(I'm comin up I'm comin)
I'm comin up so you better get this party started
(I'm comin up I'm comin)
I'm comin up so you better get this party started
I'm comin up so you better get this party started
Get this party started
Get this party started right now

Get this party started
Get this party started
Get this party started right now
