Pretty girl is suffering, while he confesses everything
Pretty soon she'll figure out what his intentions were about

And that's what you get for falling again
You can never get him out of your head
And that's what you get for falling again
You can never get him out of your head

It's the way
That he makes you feel
It's the way
That he kisses you
It's the way
That he makes you fall in love

She's beautiful, as usual, with bruises on her ego and
Her killer instinct tells her to beware of evil men

And that's what you get for falling again
You can never get him out of your head
And that's what you get for falling again
You can never get him out of your head

It's the way
That he makes you feel
It's the way
That he kisses you
It's the way
That he makes you fall in love

It's the way
That he makes you feel
It's the way
That he kisses you
It's the way
That he makes you fall in love...love...

(Musical Interlude)

Pretty girl...

Pretty girl...

Pretty girl is suffering while he confesses everything

Pretty soon she'll figure out

You can never get him out of your head

It's the way

That he makes you cry

It's the way

That he's in your mind

It's the way

That he makes you fall in love

It's the way

That he makes you feel

It's the way

That he kisses you

It's the way

That he makes you fall in love€|love...

(Musical Interlude Again)

Pretty girl is suffering while he confesses everything

Pretty soon she'll figure out

you can never get him out of your head...
