You better run like hell  
You better make your face up in  
Your favourite disguise  
With your button down lips and your  
Roller blind eyes  
With your empty smile  
And your hungry heart  
Feel the bile rising from your guilty past  
With your nerves in tatters  
When the cockleshell shatters  
And the hammers batter  
Down the door  
You better fun like hell  
You better dun all day  
And run all night  
And keep your dirty feelings  
Deep inside  
And if you take your girlfriend  
Out tonight,  
You better park the car  
Well out of sight  
Cos if they catch you in the back seat  
Trying to pick her locks  
They're gonna send you back to mother  
In a cardboard box  
You better run
