The King is dead but the Queen is alive,
Off with his head I am done with his lies,
A fair win I have fought for my life,
A clean slate after all this time,

A revolution and now I am in charge,
My evolution is to shoot for the stars,
His first mistake: he underestimates,
He didn't bother to appreciate

So, rah rah rah!
Sis boom fuckin' bah!
There's a party in your honor,
But you won't be there whatever, so,
Three cheers for the one that got away!
You were just blah blah blah,
I was oh my god,
And unlike your anatomy,
I'm glad I had it in me,
Now The King,
The King, the King,
The King is dead!
But The Queen is alive

I guess the village didn't raise you right,
Don't think nobody's gonna mourn you tonight,
No more licks to wet your appetite,
You make me sick, I didn't wanna fight

I thought we ruled the heavens and the earth,
I really thought I was the only girl,
Your secrets have all been revealed to me,
You've been dethroned there goes your legacy!

So, rah rah rah!
Sis boom fuckin' bah!
There's a party in your honor,
But you won't be there whatever, so,
Three cheers for the one that got away!
You were just blah blah blah,
I was oh my god,
And unlike your anatomy,
I'm glad I had it in me,
Now The King,
The King, the King,

The King is dead!
But The Queen is alive

There are consequences in this life,
A punishment that fit the crime,
Your last words, I heard I'm sorry,
Now look at me in all my glory!

The King is dead but the Queen is alive,
I wear your crown and I look quite nice,
I almost let you get the best of me
But no one's ever gonna get the Queen!

So, rah rah rah!
Sis boom fuckin' bah!
There's a party in your honor,
But you won't be there whatever, so,
Three cheers for the one that got away!
You were just blah blah blah,
I was oh my god,
And unlike your anatomy,
I'm glad I had it in me,
Now The King,
The King, the King,
The King is dead!

But The Queen is alive!
