"...It was announced today

That the replacement for the Atlantic

Conveyor the container ship

Lost in the Falklands conflict would be

built in Japan, a spokesman for..."

"...moving in.

They say the third world countries

Like Bolivia, which produce the drug

Are suffering from rising violence...(fades)"

Tell me true, tell me why was Jesus crucified

Is it for this that daddy died?

Was it for you?

Was it me?

Did I watch too much TV?

Is that a hint of accusation in your eyes

If it wasn't for the nips

Being so good at building ships

The yards would still be open on the clyde

And it can't be much fun for them

Beneath the rising sun

With all their kids committing suicide

What have we done?

Maggie, what have we done?

What have we done to england?

Should we shout?

Should we scream?

What happened to the post war dream?

Oh maggie

Maggie, what did we do?
