Please don't come around talkin 'bout that you love me  
'Cuz that love shit just ain't for me  
I don't wanna hear that you adore me

And I know that all you're doin' is runnin' your mind  
games  
Don't you know that game beats these games  
So your best bet is to be straight with me

So you say you wanna talk, let's talk  
If you won't talk, I'll walk, yeah it's like that  
I got a new man, he's waiting out back  
Now what, what you think about that

Now when I say I'm through, I'm through  
Basically, I'm through with you, whatcha wanna say  
I had to have it your way, had to play games  
Now you're beggin' me to stay

There you go, lookin' pitiful  
Just because I let you go  
There you go, talkin' 'bout you want me back  
But sometimes it be's like that, so

There you go, talkin' 'bout you miss me so  
That you love me so, why I let ya go  
There you go 'cause your lies got old  
Look at you there you go

Please don't come around talkin' 'bout how you  
changed  
How you said goodbye to what's her name  
All it sounds like to me is new game

And I was right  
When I thought I'd be much better off without you  
Had to get myself from round you  
'Cuz my life was all about you

So you say you wanna talk, I don't  
Say you wanna change, I won't, yeah, it's like that  
Had your chance, won't take it back

Now what, whatcha think about that

And when I say I'm through, I'm through  
Basically I'm through wit you, whatcha wanna say  
I had to have it your way, had to play games  
Now you're beggin' me to stay

There you go, lookin' pitiful  
Just because I let you go  
There you go, talkin' 'bout you want me back  
But sometimes it be's like that

There you go, talkin' 'bout you miss me so  
That you love me so, why I let ya go  
There you go 'cause your lies got old  
Look at you there you go

Don't you wish you could turn the hands of time  
Don't you wish that you still were mine  
Don't you wish I'd take you back  
Don't you wish that things were simple like that, oh

Didn't miss a good thing till it was gone  
But I knew it wouldn't be long  
Till you came runnin' back  
Missin' my love, there you go

There you go, lookin' pitiful  
Just because I let you go  
There you go, talkin' 'bout you want me back  
But sometimes it be's like that

There you go, talkin' 'bout you miss me so  
That you love me so, why I let ya go  
There you go 'cause your lies got old  
Look at you there you go

There you go, lookin' pitiful  
Just because I let you go  
There you go, talkin' 'bout you want me back  
But sometimes it be's like that

There you go, talkin' 'bout you miss me so  
That you love me so, why I let ya go  
There you go 'cause your lies got old  
Look at you there you go

There you go, lookin' pitiful  
Just because I let you go  
There you go, talkin' 'bout you want me back  
But sometimes it be's like that'

There you go, talkin' 'bout you miss me so  
That you love me so, why I let ya go  
There you go 'cause your lies got old  
Look at you there you go

So there you go, there you go
