One step, two steps, counting tiles on the floor  
Three steps, four steps, guess this means that I'm a whore  
Uh-oh, hell no, how long till I reach the door?  
Fuck me, my feet are sore

I'm wearing last night's dress and I look like a hot ass mess  
Although my hair looks good cause I haven't slept yet!

Make the elevator come a little faster  
I'm pushing all the buttons, but nothing's happening  
Please God don't let anybody see me  
Please God I'll do anything you ask of me  
I promise, no more walks of shame

So walk this way (we're walking, we're walking)  
Walk this way (we're walking, we're walking)

Last night's bubblegum, no more bubbles, no more yum  
Where'd I get the wristband, tell me there's no tramp stamp  
One two three shoot, no I know that shit ain't cute  
But damn the man it sure is fun, to party 'til the sun wakes up

Okay now raise two hands if you've ever been guilty  
And clap clap clap clap clap it out if you've walked with me

Make the elevator come a little faster  
I'm pushing all the buttons, but nothing's happening  
Please God don't let anybody see me  
Please God I'll do anything you ask of me  
I promise, no more walks of shame

So walk this way (we're walking, we're walking)  
Walk this way (we're walking, we're walking)

I shouldn't have let  
'Em take my keys, take my keys  
Then left me here, with too much beer  
My friends, they hung me out to dry  
It's not my fault, and that's why  
I'm doin' the walk of shame

Make the elevator come a little faster  
I'm pushing all the buttons, but nothing's happening  
Please God don't let anybody see me  
Please God I'll do anything you ask of me  
I promise, no more walks of shame

So walk this way (we're walking, we're walking)  
Walk this way (we're walking, we're walking)
