You took my hand
You showed me how
You promised me
You'd be around
Uh huh
That's right
I took your words
And I believed
In everything
You said to me
Yeah huh
That's right

[Chorus:1]

If someone said three years from now
You'd be long gone
I'd stand up and punch them out
Cause they're all wrong
I know better
'Cause you said forever
And ever
Who knew

Remember when
We were such fools
And so convinced
And just too cool
Oh no,
No no.
I wish I could touch you again
I wish I could still call you a friend
I'd give anything

[Chorus:2]

When someone said count your blessings now
'fore they're long gone
I guess I just didn't know how
I was all wrong
They knew better
Still you said forever

And ever
Who knew

Yeah yeah
I'll keep you locked in my head
Until we meet again
Until we
Until we meet again
And I won't forget you my friend
What happened

[Chorus:3]

If someone said three years from now
You'd be long gone
I'd stand up and punch them out
Cause they're all wrong and
That last kiss
I'll cherish
Until we meet again

And time makes
It harder
I wish I could remember

But I keep
Your memory
You visit me in my sleep

My darling

Who knew
My darling
My darling
Who knew
My darling
I miss you
My Darling
Who Knew

Who knew
