Barabarabaraadada
There was a 5.8 earthquake today
And it kinda got me thinking
I'd still have all
My hate for you in tact
Even if I lost everything

What did I say
Why are you shaking your head
You know you done me wrong
I may be crazy it's all in my head
But I want you darling gone

Why did I ever like you
What did I see
Whatever it was must
Have been some kind of illusion
A Magic trick on me

Eh eh eh eh

(Repeats for a bit)

It's hard to believe
I ever laughed at anything you said
Cos you're just not funny
Who would believe
I'd let you do all those things
Oh I guess the joke was on me

I tried to be zane
I've even asked all my friends
To help my let it slide
But all I see is your face
In my favourite place
And I can't help but wonder why

Why did I ever like you
What did I see
Whatever it was
Must have been some kind of illusion
A Magic trick on me

Eh eh eh eh (repeats for a bit)

Yeaaahhheee

I tried to be zane
I've even asked all my friends
To help my let it slide
All I see is your face
In my favourite place
And I can't help but wonder why

Why did I ever like you
What did I see
Whatever it was must
Have been some kind of illusion
A Magic trick on me

Eh eh eh eh (repeats for a bit)

Tell me why did I
Why did I ever like you
What did I see
Whatever it was must
Have been some kind of illusion
A Magic trick on me
