Does polly want a cracker?
fuck no, he's a zero,
and I ain't with the redneck hero
I'm glad that Lincoln got bucked in the face,
we shoulda been free in the first place.
Now let me drop it like it should be,
and watch Rocky Marciano ass get mobbed.
Madonna, ya motherfuckin' slut,
you can show your butt, and jimmy still won't get up.
Babe Ruth was good against the white boys,
but he couldn't hit a nigga like Doc Gooden.
Marilyn Monroe was a hoe for the Kennedy's,
Don't worry, JD know's the enemies,
and I'll point 'em out if ya don't know 'em.
and tell Uncle Sam that I'm lookin' for him,
Cause I don't bow down to no zero,
and I'll say: Fuck you and your heroes.

Now, who's the next maggot?
George Washington, he wore a wig like an F
Just like Rock Hudson,
Him and Liberace both liked butts and dicks,
Gobbled up nuts like Trix,
T-bone's on the motherfuckin' mix,
Don't talk Bird and all of his scorin'
Cause I'll say Magic, Ewing, Jordan,
Elijawon, Isiah and Barkley
Now bitch don't start me,
Ya asked me did I like Arsenio?
Cube tell em', motherfuckin' NO,
Take it from the Lench Mob,
Elvis is dead as a door knob,
never been caught for all the songs he stole,
and you put James Brown on parole?
I know the deal, you hate to see a black face
win the motherfuckin' race.
Cause you still think we're Negroes,
But I'll say: Fuck you and your heroes
