(It can't be)
Uh, uh it's time to get the party started
Yeah, it's time to get the party started
(Yeah, Killer)
Yeah, Rockwilder, Redman and Pink
(It can't be)

Yo, Funk Doc walk into the club actin' rowdy
I'm houndin' for the right girl to crown me
Fuck a little bit up, lift ya shirt a bit up
Get the gentlemen off, turn the temperature up

One blink turn the world around
Just one drink make ya hurl it down
Who that there? We up here
You better like move back there if you that scared

Dr. Pink, let's happen to link
I'm in the tuck bleedin' to death, harassin' the freak
(Ahh)
I'm back in the beat, happen to be rock
Introducing beat, the underground make it shake
upstairs

Women throw that shit till they make-up smears
Hit it in my cup let's fire it up, are you high or what?

Get the party started on a Saturday night
Everybody's waitin' for me to arrive
Sendin' out the message to all of my friends
We'll be lookin' flashy in my Mercedes Benz
I got lots of style, got my gold diamond rings
I can go for miles if you know what I mean, oh

I'm comin' up
So you better you better get this party started
I'm comin' up
So you better you better get this party started

Pumpin' up the volume, breakin' down to the beat
Cruisin' through the Westside
We'll be checkin' the scene

Boulevard is freakin' as I'm comin' up fast

I'll be burnin' rubber, you'll be kissin' my ass
Pull up to the bumper, get out of the car
License plate says "Stunner No.1 Superstar"

I'm comin' up
So you better you better get this party started
I'm comin' up
So you better you better get this party started

Sweet dreams are made of these
Who am I to disagree
Traveled the world and the Seven Seas
Everybody get the party started

Sweet dreams are made of these
Who am I to disagree
Traveled the world and the Seven Seas
Everybody
(Yeah, everybody lookin', lookin', lookin')

Yo, yo, yo everybody move, everybody jump
Everybody stomp the floor, get it crunk
Everybody move, everybody jump
Everybody stomp the floor

It's Rockwilder, rock the house
Yo Pink diggy, rock the house
Yo Funk Doc, rock the house
Yo scream at cha' boy real loud girl

Get the party started ooh
Get this party started, right now
Get this party started
I'm comin' up, I'm comin' up
(Yeah, ladies and gentlemen)

(Another Rockwilder production)
I'm comin' up, I'm comin' up, I'm comin' up
(Ha, ha, ha)
I'm comin' up, gonna get the party started
(Lookin' lookin' lookin' lookin')

Some of them want to use you
Some of them want to be abused
We just want to
