We don't need no education.
We don't need no thought control.
No dark sarcasm in the classroom.
Teacher, leave those kids alone.
Hey, Teacher, leave those kids alone!
All in all it's just another brick in the wall.
All in all you're just another brick in the wall.
We don't need no education.
We don't need no thought control.
No dark sarcasm in the classroom.
Teachers, leave those kids alone.
Hey, Teacher, leave those kids alone!
All in all you're just another brick in the wall.
All in all you're just another brick in the wall.
