We don't need no education
We don't need no thought control
No dark sarcasm in the classroom
Teacher leave them kids alone
Hey, teacher, leave 'em kids alone
All in all it's just another brick in the wall
All in all you're just another brick in the wall
We don't need no education
We don't need no thought control
No dark sarcasm in the classroom
Teachers leave them kids alone
Hey, teacher, leave us kids alone
All in all you're just another brick in the wall
All in all you're just another brick in the wall
{ "Wrong do it again, wrong do it again"
"If you don't eat your meat, you can't have any pudding
How can you have any pudding if you don't eat your
meat?"
"You! yes, you behind the bikesheds, stand still
laddie!" }
