You shout in your sleep  
Perhaps the price is just too steep  
Is your conscience at rest  
If once put to the test?  
You awake with a start  
To just the beating of your heart  
Just one man beneath the sky  
Just two ears  
Just two eyes

You set sail across the sea  
Of long past thoughts and memories  
Childhood's end  
Your fantasies  
Merge with harsh realities  
And then as the sail is hoist  
You find your eyes are growing moist  
And all the fears never voiced

Say you have to make your final choice

Who are you and who am I  
To say we know the reason why?  
Some are born  
Some men die  
Beneath one infinite sky  
There'll be war  
There'll be peace  
But everything one day will cease  
All the iron turned to rust  
All the proud men turned to dust  
And so all things, time will mend  
So this song will end
