[Childs voice:]

Look, Mummy. There's an airplane up in the sky.

Did you, did you see the frightened ones?
Did you, did you hear the falling bombs?
Did you ever wonder why we had to run for shelter,
When the promise of a brave new world,
Unfurled beneath a clear blue sky?
Did you, did you see the frightened ones?
Did you, did you hear the falling bombs?
The flames are all long gone,
But the pain lingers on.
Goodbye, blue sky.
Goodbye, blue sky.
Goodbye.
Goodbye.

Mother

Mother, do you think they'll drop the bomb?
Mother, do you think they'll like this song?
Mother, do you think they'll try to break my balls?
Ooooooaaa Mother, should I build a wall?
Mother, should I run for President?
Mother, should I trust the government?
Mother, will they put me in the firing line?
Ooooooaaa Is it just a waste of time?
Hush, my baby. Baby, don't you cry.
Momma's gonna make all of your nightmares come true.
Momma's gonna put all of her fears into you.
Momma's gonna keep you right here under her wing.
She won't let you fly, but she might let you sing.
Momma's gonna keep Baby cozy and warm.
Oooo Babe.
Oooo Babe.
Ooo Babe, of course Momma's gonna help build a wall.
Mother, do you think she's good enough,
For me?
Mother, do you think she's dangerous,
To me?
Mother will she tear your little boy apart?

Ooooooaaa Mother, will she break my heart?
Hush, my baby. Baby, don't you cry.
Momma's gonna check out all your girlfriends for you.
Momma won't let anyone dirty get through.
Momma's gonna wait up until you get in.
Momma will always find out where you've been.
Momma's gonna keep Baby healthy and clean.
Oooo Babe.
Oooo Babe.
Ooo Babe, you'll always be Baby to me.
Mother, did it need to be so high?
