I'm so afraid of mistakes that I made
Taking every time that I wake
I feel like a hard-boiled, cut-up man

So give me a time
When the countries will lie
On the storyline if kind

Are days made since the first page?
I've lived every line that you wrote
Take me down, take me down
From the shelf above your head

So give me a time
When the countries will lie
On the storyline if kind

And if I live on the shelf like the rest
And if love bleeds like a sad song
Please pick-up your camera and use me again

So give me a time
When the countries will lie
On the storyline if kind
Yeah
