"One Slip"

A restless eye across a weary room
A glazed look and I was on the road to ruin
The music played and played as we whirled without
end
No hint, no word her honour to defend
I will, I will she sighed to my request
And then she tossed her mane while my resolve was
put to the test
Then drowned in desire, our souls on fire
I lead the way to the funeral pyre
And without a thought of the consequence
I gave in to my decadence
One slip, and down the hole we fall
It seems to take no time at all
A momentary lapse of reason
That binds a life for life

A small regret, you won't forget,
There'll be no sleep in here tonight
Was it love, or was it the idea of being in love?
Or was it the hand of fate, that seemed to fit just like a
glove?
The moment slipped by and soon the seeds were sown
The year grew late and neither one wanted to remain
alone
One slip, and down the hole we fall
It seems to take no time at all
A momentary lapse of reason
That binds a life for life
A small regret, you won't forget,
There'll be no sleep in here tonight
One slip ... one slip
