Did you know...it was all going to go so wrong for you  
And did you see it was all going to be so right for me  
Why did we tell you then  
You were always the golden boy then  
And that you'd never lose that light in your eyes

Hey you...did you realize what you'd become  
And did you see that it wasn't only me you were  
running from

Did you know all the time but it never bothered you  
anyway  
Leading the blind while I stared out the steel in your  
eyes

The rain fell slow, down on all the roofs of uncertainty  
I thought of you and the years and all the sadness fell  
away from me  
And did you know...  
I never thought that you'd lose the light in your eyes
