Aye an' a bit of Mackerel settler rack and ruin  
Ran it doon by the haim, 'ma place  
Well, I slapped me and I slapped it doon in the side  
And I cried, cried, cried

The fear a fallen down taken never back the raize  
And then Craig Marion, get out wi' ye Claymore out  
Mi pocket a' ran doon, doon the middn' stain  
Picking the fiery horde that was fallen around ma feet

Never he cried, never shall it ye get me alive  
Ye rotten hound of the burnie crew  
Well, I snatched fer the blade O my Claymore cut  
And thrust and I fell doon before him round his feet

Aye, a roar he cried frae the bottom of his heart  
That I would nay fall but as dead  
Dead as 'a can be by his feet, de ya ken?  
And the wind cried Mary

Thank you
