Welcome my son  
Welcome to the machine  
Where have you been?  
It's alright we know where you've been

You've been in the pipeline  
Filling in time  
Provided with toys and scouting for boys  
You brought a guitar to punish your ma

And you didn't like school  
And you know you're nobody's fool

So welcome to the machine

Welcome my son  
Welcome to the machine  
What did you dream?  
It's alright we told you what to dream

You dreamed of a big star  
He played a mean guitar  
He always ate in the Steak Bar  
He loved to drive in his Jaguar  
So welcome to the machine
