I know your type  
You're playing with me  
I saw you coming from across the room  
From the twinkle in your eye  
To the kiss of your lips you're telling a lie

I see you through a window  
As soon as you've started you're ready to go  
I'm not the kind to have the time for you.  
Because you  
Kiss in the Dark, runaway kiss in the dark  
Kiss in the Dark, runaway kiss in the dark

You're leading me on  
In everything you do you try to  
But I've heard about you for a long long time  
I'm afraid you're gonna find  
That I'm not gonna fall for the same old lie

I see you through a window  
As soon as you've started you're ready to go  
I'm not the kind to have the time for you.  
Because you  
Kiss in the Dark, runaway kiss in the dark  
Kiss in the Dark, runaway kiss in the dark

Kiss in the Dark, runaway kiss in the dark  
Kiss in the Dark, runaway kiss in the dark
