V1

Johnny was a guy who was always high and everbody
knew his name,
Kicking off moves in his saturday night shoes, he was
always on your case.
If you took a fall give Johnny a call and he'd pick you
back up again
The best of the best sent Johnny on a quest and he said
he'd need 3 other men.

C

Johnny was drinking in a bar late at night downtown,
Johnny has never been found.

V2

Johnny's been gone for far too long, he'll never find his
way,
Back to the scene where he'd last been, living day by
day.
If you see him out, just give us a shout, coz the
reaper's on his back,
His three men are gone, Johnny's on his own and we
don't know where
Johnny's at.
