When the bandages come off  
They'll give me a new name  
When the bandages come off  
I won't be the same

I don't know a thing about the Warfare Division

When the bandages come off  
The experiments they did on me  
When the bandages come off  
The things I have seen

I don't know a thing about the Warfare Division

When the bandages come off  
All evidence will be destroyed  
When the bandages come off  
I'll assume sangfroid

I don't know a thing about the Warfare Division  
What have they done to me?
