Feat. Toni Gonzaga

[Piolo]

Once in a lifetime the chance will come  
Seeing that someone you recognize,  
And you will know deep in their eyes,  
A love that has waited sailing through time

[Toni]

There are no perfect strangers,  
Just what's meant to be?  
Memories through the ages,  
We've got a faith that's strong enough  
Nothing can compare to our love  
Reaching our eternally

[Toni & Piolo]

If only love can make a place for us  
A time for us to share  
Strong enough to show how much  
Show how much we really care,  
If it takes us halfway there and back again,

[Piolo]

Then that's enough

[Toni]

Enough for us

[Toni & Piolo]

If only love

[Piolo] Once in a lifetime that bells will chime  
And angels start singing cause heavens bringing  
With you and me together again  
Eternally, [Toni & Piolo] we'll be remembering

[Toni]

There are no perfect strangers

[Piolo]

No perfect strangers

[Toni & Piolo]

Just what's meant to be

[Toni]

Memories through the ages

We've got a faith that's strong enough  
Nothing can compare to our love  
Reaching our eternally

[Toni & Piolo]

If only love can make a place for us  
A time for us to share  
Strong enough to show how much  
Show how much we really care  
If it takes us halfway there and back again

[Piolo]

Then that's enough

[Toni]

Enough for us

If only love

[Toni & Piolo]

If only love ooh

[Piolo]

You know that everybody sees  
We were meant to be  
Close together in this world

[Toni]

It's more than just a touch  
It's more than good enough

[Toni & Piolo]

It's more than you and me

[Toni & Piolo]

If only love can make a place for us

[Toni]

And a time for us to share  
Strong enough to show how much

[Toni & Piolo]

Show how much we really care  
If it takes us halfway there and back again

[Piolo]

Then that's enough

[Toni]

Enough for us

[Toni & Piolo]

If only love

[Piolo]

Then that's enough

[Toni]

Enough for us

[Toni & Piolo]

If only love
