[recorded by piolo pascual for kris aquino's album]

No matter what they call us
However they attract
No matter where they take us
We'll find our own way back

I can't deny what I believe
I can't be what I'm not
I know our love's forever
I know, no matter what

If only tears were laughter ooh
If only night was day oh
If only prayers were answered hear my prayer
Then we would hear God say say

No matter what they tell you ooh
No matter what they do ooh
No matter what they teach you
What you believe is true

And I will keep you safe and strong
And sheltered from the storm
No matter where it's barren
A dream is being born

Ooh

No matter who they follow
No matter where they lead
No matter how they judge us
I'll be everyone you need

No matter if the sun don't shine sun don't shine
Or if the skies aren't blue skies aren't blue
No matter what the end is
My life began with you

I can't deny what I believe what I believe, yeah
I can't be what I'm not
I know, I know I know this love's forever

That's all that matters now
No matter what

No matter what no, no matter, no

No, no matter
That's all that matters to me
No, no matter
That's all that matters to me
No, no matter
That's all that matters to me
No, no matter
That's all that matters to me
No, no matter
That's all that matters to me
No, no matter
That's all that matters to me
No, no matter
