You say it's over
I say we've just begun
'Coz it ain't forever
Until our lives are done
I know I did some things
That I never should
I'd undo them if I could
I'd turn my life around for you
Anything you'd ask me to...
Just tell me...

What must I do to make you want to stay
And take the hurt away
And leave it all to yesterday?
What can I say to make you change your mind?
To have the chance to turn the hands of time
Back to the days when you were mine?
Just give me one more chance for one last time.

I won't deny it
I know that I've done wrong
But you have to admit it
This love is just too strong
To just fade away into the night
Without putting up a fight
We can make it all alright
If we just give it one more try...
So...

What must I do to make you want to stay
And take the hurt away
And leave it all to yesterday?
What can I say to make you change your mind?
To have the chance to turn the hands of time
Back to the days when you were mine?
Just give me one more chance for one last time...

And what can I say to make you change your mind
To have the chance to turn the hands of time
Back to the days when you were mine?
Just give me one more chance for one last time.
Just one more kiss to last a lifetime

One more chance for one last time.
