He said we could talk about gossip  
We could talk about lies  
He said we could talk about rumours  
We could do whatever i like  
Then he said 'lets stop with all the talking, why not try  
something new? Because there's no need for any  
talking in what wer'e about to do'

Rest, your pretty head, you pretty head  
(just rest, just rest, just rest your pretty head)  
Don't trouble your pretty head, your pretty head

You know im all for conversation, im really quite  
romantic you know,  
Why not get right to the point, it's not that often we are  
left alone  
No offence, when you get going you really can be quite  
a bore, now don't take this the wrong way, but my heels  
are getting sore

Rest, your pretty head, you pretty head  
(just rest, just rest, just rest your pretty head)  
Don't trouble your pretty head, your pretty head  
Oh rest, your pretty head, you pretty head  
(just rest, just rest, just rest your pretty head)  
Don't trouble your pretty head, your pretty head  
Rest, your pretty head, you pretty head  
(just rest, just rest, just rest your pretty head)  
Don't trouble your pretty head, your pretty head

We spent a winter and a spring, just listening not  
talking, come weather, rain or shine,  
No-one ever told you then, but conversations in my  
head helped me to pass the time

Oh rest, your pretty head, you pretty head  
(just rest, just rest, just rest your pretty head)

Don't trouble your pretty head, your pretty head

Rest, your pretty head, you pretty head

(just rest, just rest, just rest your pretty head)

Don't trouble your pretty head, your pretty head  
Oh rest, your pretty head, you pretty head  
(just rest, just rest, just rest your pretty head)

Don't trouble your pretty head, your pretty head  
Rest, your pretty head, you pretty head  
(just rest, just rest, just rest your pretty head)  
Don't trouble your pretty head, your pretty head
