"The Prophet"

He is a courageous prophet
Bold in proclaiming the truth
Steadfast and unwavering
In bringing God's love and hope

A prophet among us is rare
Limestone grime from the deep
But God has blessed and favored us
With a prophet in our midst

** Through two peaceful revolts
A pastor has led us safely
Holding our hands firmly
As we walk through the dark valley

We have a prophet in our midst
A pastor and friend among us
A patriarch and brother with us
A priest and pastor cardinal Jaime Sin

Bridge
Steadfast an unwavering
Bold in proclaiming the truth
He's a courageous prophet
Bringing God's love and hope
