Why can't we be together?  
This is just so hard for me  
Why can't we have each other?  
Can somebody tell the reason why?  
Should've taken the chance  
When time was mine  
You could've been mine  
But now it's too late

But why can't I have you?

Everytime I see you  
I wanna hold you  
I wanna touch you, how I long to kiss you  
I wanna have your love

Will you give this heart a chance?

Will I ever be with you?  
Will I hear you calling my name?  
Will I ever live my life with you?  
Will you give this love a chance?

So tight I won't let go...  
I'll make you feel my heart  
Yearning for you  
Oh have you given up on love?  
Take this chance for one last time

What must I do to make you believe?  
That we could be....
