I can't take this ignorance  
Now I wouldn't bet on your life  
I can't take these set of rules  
My day has turned to night  
That's right, that's right, had enough  
I think I'll think for myself  
That's right, that's right, had enough  
May I be excused from myself

I can't see your views how you see your views so I don't  
wanna see it  
I DON'T WANNA SEE IT  
All I see from you is how you seem to lose so I don't  
wanna hear it

You say, you say stand in line  
On the line or you will burn  
I say let me find my way  
Maybe you should try to unlearn  
The social call standard you try to live  
But what really happened to you  
You lost your mind when you sold your heart  
To the lies you bought into

I can't see your views how you see your views so I don't  
wanna see it  
I DON'T WANNA SEE IT  
All I see from you is how you seem to lose so I don't  
wanna hear it  
I DON'T WANNA HEAR IT  
I can't see your views how you see your views so I don't  
wanna see it  
I DON'T WANNA SEE IT  
All I see from you is how you seem to lose so I don't  
wanna hear it

DRUGS-SEX-VIOLENCE-WAR  
I NEED ALL AND MORE

I can't take this ignorance  
Now I wouldn't bet on your life

I can't take these set of rules  
My day has turned to night  
That's right, that's right, had enough  
I think I'll think for myself  
That's right, that's right, had enough  
May I be excused from myself

I can't see your views how you see your views so I don't  
wanna see it  
I DON'T WANNA SEE IT  
All I see from you is how you seem to lose so I don't  
wanna hear it  
I DON'T WANNA HEAR IT  
I can't see your views how you see your views so I don't  
wanna see it  
I DON'T WANNA SEE IT  
All I see from you is how you seem to lose so I don't  
wanna hear it

May I be excused from my supply
