I see the zombies with the lo-fi canned-up spirit
I see people livin' life fake everyday
But you know it's just a game and I can't hear it
The TV's tellin' you what to do, what to say

But I'll use my mind
I won't be lost and left behind

Five million people, they're trapped by a luminous
screen
They turn their minds off at a certain time everyday
Some do it for comfort, some don't know what it means
But all I know it's stripping my identity away

What will you do
Don't you see that it's ENSLAVING YOU
NOW

It's my freedom to lie
It's my freedom to die
TAKE MY LIFE AND MY SPIRIT
It's the freedom you lost when you closed your eyes
The TV is running your life

Your life...is on mute

Well, now that you know
What the fuck are you gonna do?
Hey, I'll use my mind I won't be lost and LEFT BEHIND
NO

It's my freedom to lie
It's my freedom to die
TAKE MY LIFE AND MY SPIRIT
It's the freedom you lost when you closed your eyes
The TV is running your life

The TV is takin'
The TV is breakin'
The TV is takin' control of you
