we're going down  
looking around this place man  
I've got to get out of here  
all those people here are crazy (gonna drive me nuts)  
looking at their race  
I never wanted to be in  
where's the door , just get me out of here  
we're going down  
we're going down and out yeah down and out  
looking at all these cars  
now they're blocking my escape  
L.A. Freeway , never free no way  
15 miles an hour  
the Clash tape up past ten  
ten more minutes and I can breathe again
