

## Dag Nasty

### "Hi-Teknology"

Visit "[Hi-Teknology](#)" on [MotoLyrics.com](http://MotoLyrics.com)

"One thing I don't understand is HI-TEK! Heheh.  
I can't wait to introduce you to him."

[Jonell - repeats in background]  
Hi-Tek, no-no-no, no-no-no-no-no

[Hi-Tek]  
Let 'em know  
Gotta let 'em know now  
Stop playin, Tekzilla (Tekzilla)  
What? Uhh  
Ohh, ohh ohh ohh you an MC now?  
Nah bruh, just gotta get a lil' somethin off my chest  
here  
Youknahmtalkinabout? (Fo' sho')  
Yo, aiyyo

Peep game, man picture this, put it in a frame  
Who woulda thought, young Tone doin thangs  
Makin a change from the old hustle street slang  
To beats that bang, I hustle my name  
(Hi-Tek), gotta make it bang loud  
M-P-C, three-triple-oh, with the eight outs  
"Best Kept Secret" since Diamond D  
Midwest rap puttin it down for Da 'Natti  
You know I had to get on the mic, say somethin (what?)  
People say I need to stick to the beats and cuttin  
(what?)  
They front, these cats mostly haters  
They hate to see me shine like the sun and rock my  
green gators  
It's all love though (love though) just sayin how I felt  
Get what I can get out the game, invest in somethin  
else  
Fuck a Plan B, I got a Plan Z  
Twenty-six ways to get paid, me and my man D  
We young entrepreneurs, we get money  
Don't mistake me for some backpack nigga that dress  
bummy  
Yo, we put it down like it's heavy as hell  
Straight from Da 'Natti, yo, yo, yo

[Jonell - repeats in background]  
Hi-Tek, no-no-no, no-no-no-no-no

[Hi-Tek]  
Midwest (Midwest)  
Tekzilla representin  
Just a lil' somethin, yknahmtalkinabout  
Gotta feel that, what?
