(Sound For Sound)

sfs
it's only a song
took five minutes and it's not that long
and it means more to us than it will to them
just another stupid fast song again
sfs - sound for sound
sfs
it's more than a song
it's a sound that's inside us for so long
and it means more to me than it will to you
it's inside of me can't turn it off , no matter what I do
sfs - sound for sound
sound for sound
and it's a sound for our sakes
they may not like it
but it's the sound we make
sfs - sound for sound
