This is the voice of something to believe in
a tattered flag, a change of a season
everybody hooked on negativity
won't you come along
so many people full of disillusion
it's time to re-think, make a new conclusion
I'm wasting
I'm wasting away
you get one shot - what you gonna' do?
so here's a call from a voice to you and me
let's take a break from yawning apathy
turn on, tune off, use your energy, just answer a call
where are you ever really going here?
is the destination ever clear?
I'm wasting
I'm wasting away
you get one shot - what you gonna' do?
the answers they offered - they never touched me and
until I find one, I'll never really be free
so where's the voice of something to believe in
a tattered flag, a change of the season?
everybody adrift in negativity

won't you come along

I'm wasting

I'm wasting away

you get one shot - what you gonna' do?

you get one shot - what you gonna' do?

you get one shot - what you gonna' do?
