I don't like to be alone at night
and i don't like to hear i'm wrong when i'm right
and i don't like to have the rain on my shoes
but i do love you
but i do love you
i don't like to see the sky painted grey
and i don't like when nothing's going my way
and i don't like to be the one with the blues
but i do love you
but i do love you
love everything about the way you're loving me
the way you lay your head upon my shoulder when you
sleep
and i love to kiss you in the rain
i love everything you do
oh i do
i don't like to turn the radio on
just to find i missed my favorite song
i don't like to be the last with the news
but i do love you
but i do love you
love everything about the way you're loving me
the way you lay your head upon my shoulder when you
sleep
and i love to kiss you in the rain
i love everything you do
oh i do
and i don't like to be alone at night
and i don't like to hear i'm wrong when i'm right
and i don't like to have the rain on my shoes
but i do love you
but i do love you
but i do love you
but i do love you
