Under a lover's sky
Gonna be with you
And no one's gonna be around
If you think that you won't fall
We'll just wait until
Till the sun goes down

Underneath the starlight, starlight
There's a magical feeling so right
It'll steal your heart tonight

You can try to resist
Try to hide from my kiss
But you know, but you know that you
Can't fight the moonlight
Deep in the dark
You'll surrender your heart
But you know, but you know that you
Can't fight the moonlight, no
You can't fight it
It's gonna get to your heart

There's no escaping love
Once a gentle breeze (once a gentle breeze)
Weaves it's spell upon your heart
No matter what you think
It won't be too long (not too long)
Till you're in my arms

Underneath the starlight, starlight
We'll be lost in the rhythm so right
Feel it steal your heart tonight

You can try to resist
Try to hide from my kiss
But you know, but you know that you
Can't fight the moonlight
Deep in the dark
You'll surrender your heart
But you know, but you know that you can't
Can't fight the moonlight, no
You can't fight it, (no)

No matter what you do (no matter what you do)
The night is gonna get to you
Don't try you're never gonna win oh

Underneath the starlight, starlight
There's a magical feeling so right
It will steal your heart tonight

You can try to resist (you can try)
Try to hide from my kiss
But you know, but you know that you (you know that
you)
Can't fight the moonlight
Deep in the dark (deep in the dark)
You'll surrender your heart
But you know, but you know that you
Can't fight the moonlight, no
You can't fight it

You can try to resist (you can try to resist my kiss)
Try to hide from my kiss
But you know, (dont you know that you can't)
Can't fight the moonlight
Deep in the dark,
You'll surrender your heart (surrender your heart)
But you know, but you know that you
Can't fight the moonlight, no
You can't fight it
It's gonna get to your heart
