Know all about,  
bout your reputation  
And now it's bound to be a heartbreak situation  
But I can't help it if I'm helpless  
Every time that I'm where you are,

You walk in and my strength walks out the door  
Say my name and I can't fight it any more  
Oh I know, I should go  
But I need your touch just too damn much

Lovin' you, isn't really something I should do  
shouldn't wanna spend my time with you  
I should try to be strong  
But baby you're the right kind of wrong  
yeah baby you're the right kind of wrong

Might be a mistake  
A mistake I'm makin'  
But what you're givin' I am happy to be takin'  
'Cause no one's ever made me feel  
The way I feel when I'm in your arms

They say you're somethin' I should do without  
They don't know what goes on when the lights are out  
There's no way to explain  
All the pleasure is worth all the pain

Lovin' you, yeah isn't really something I should do  
yeah-hey  
shouldn't wanna spend my time with you yeah  
Well I should try to be strong  
But baby you're the right kind of wrong  
yeah baby you're the right kind of wrong

I should try to run but I just can't seem to  
'Cause every time I run you're the one I run to  
Can't do without what you do to me,  
I don't care if I'm in too deep yeah hey-yeah

Know all about,  
Yeah, bout your reputation

And now it's bound to be a heartbreak situation  
But I can't help it if I'm helpless  
Every time that I'm where you are,

You walk in and my strength walks out the door  
Say my name and I can't fight it any more  
Oh I know, I should go  
But I need your touch just too damn much  
Hey-yeah  
Lovin' you, yeah, isn't really something I should do  
I shouldn't wanna spend my time with you yeah  
Well I should try to be strong, I should try to be strong  
But baby you're the right kind of wrong (right kind of wrong)  
Baby you're the right kind of wrong  
Baby you're the right kind of wrong

Yeah baby you're the (right kind of wrong)
