You're in the kitchen crying
Don't make me say I told you so
You're in the kitchen crying
Trust me now I've seen em all
You're in the kitchen crying, you're in the kitchen
crying
I saw you in the kitchen crying
You're in the kitchen crying, yeah you're in the
kitchen crying
You ain't covered your eyes and you're crying,
aaaahhhh
Aaaaahhhh

You're in the hallway screaming, you're in the
hallway screaming,
You're in hallway screaming
People try to get by, but you're screaming
Aaaahhhh, aaaaahhhh
