Silver spoon in mouth  
Not by his own choice  
Passion in his heart  
Lives by family ways  
Wished he could have changed  
Now it's just too late  
The choices that are made - how could he have known?  
Regret in his heart

Yeah Â·Â·Â·  
Lived it, loved it, left it, want it, gave it Â·Â·Â·Â·  
To live the way I do  
Is not the way for most  
To love the way I love  
Is a fantasy to most  
Ignorance to sacrifice  
Is the common way to go  
Everyone thinking - everyone saying  
Gotta get it the easy way

Lived it, loved it, left it, want it, gave it Â·Â·Â·Â·  
Yeah Â·Â·Â·
