Son,  
I want you to come  
I want you to come to me  
Sins,  
Driven me for life  
A common reason to live  
Learn,  
How wicked the fire is  
Look at all the chaos we've built  
Sorry,  
But this is all truth  
I'll never lie to you...  
(Have a) Crystal clear sight  
(On this) Permanent lie

People that cry  
Will also die...  
Admire,  
The shit we live in  
The shit we live in and know  
How  
To keep it away  
You better keep it away  
So  
I want you to come  
I want you to come to me  
Son,  
I want you to know  
I want it for you to have
